

Home of Ski Racing and Academic Excellence

Dedicated young people enter the doors of the National Ski Academy and with our support and programs, these student athletes become accomplished ski racers, enlightened students, and tomorrow's leaders.

**An Invitation to the 25th Annual NSA Golf Day
Monday, August 9th
OslerBrook Golf and Country Club, Collingwood**

Dear NSA Parents, Alumni and Friends:

The National Ski Academy, the *Home of Ski Racing and Academic Excellence*, has a 25 year history of delivering ski racing and academic programs that enable dedicated student athletes to pursue their dreams.

With the support of NSA's program and our coaches, teachers and staff, eight NSA alumni have "graduated" to Canada's National Ski Team. Three NSA alumni qualified for the 2010 Vancouver Olympics.

On an academic note, NSA graduated 12 students in our first year as an accredited private school with a class average of 85%. Reflecting the excellence of the NSA academic program and teaching, each NSA Private School graduate received Ontario scholar status. In addition, NSA has partnered with Special Olympics Ontario with NSA coaching staff and students providing fitness and on-hill training for the Special Olympic Ontario-Blue Mountain ski team.

NSA is a non-profit organization that benefits from contributions to subsidize our programs. Your support of the 25th Annual NSA Golf Day as a player or as a sponsor will directly benefit our student athletes.

This year to encourage participation by NSA supporters and friends we reduced the single player prices to \$250 and foursome prices to \$900. We also reduced participation fees for recent NSA alumni to \$200 and to \$150 for current NSA student athletes.

We invite you to join us for another fun-filled day of golf with old and new friends at the **OslerBrook Golf & Country Club in Collingwood. Monday, August 9th.**
