Dedicated young people enter the doors of the National Ski Academy and with our support and programs these student athletes become accomplished ski racers, enlightened students, and tomorrow's leaders.

Daisy Taylor

This year Daisy was awarded the NSA's U16 Best Racing Results and Junior Academic Achievement at our Graduation and Awards Banquet. Daisy is not only a superb athlete and scholar but is one of the most positive student athletes at the Academy. This year after winning the U16 OCup Finals in Sault Ste. Marie her resilience was put to the test when she was seriously injured at the Can Ams in New Hampshire. Daisy made a full recovery, after undergoing surgery and kept up with her classes. Daisy's bubbly personality makes her a natural leader and role model both on the hill and in the classroom.
