Grade 9 Canadian Geography Teacher: CGC1D

Based in Collingwood, the National Ski Academy is currently seeking a dynamic, collaborative and innovative qualified individual to teach **Grade 9 Issues in Canadian Geography Teacher (CGC1D)**

The successful candidate must have:

- Proficient knowledge and experience in teaching geography
- Ontario Teachers Certificate or equivalent (I/S Divisions)
- Strong interpersonal communication, verbal and written skills
- Capacity to address the essential skills needs of a 21st century learner
- Capacity and demonstrated ability to promote critical thinking in your class and self confidence in your students
- Demonstrated ability to differentiate instruction for a variety of learning preferences

Contract Start Date: Monday, January 7th, 2019
Contract End Date: Friday, March 22nd, 2019

The NSA is a non-profit registered charity established in 1986 to provide an environment for student athletes to maximize individual potential through the pursuit of alpine ski racing excellence, academic achievement and personal growth.

Classes are three hours in length, scheduled in the afternoon. Please note that the timetable for each academic block is designed around the student athletes training/racing schedule and not every day within the contract period is a teaching day. This position would be well-suited for someone who is a recent graduate of the faculty of education, recently retired, on a half-day AM LTO, or currently supply teaching in a local board.

If you are interested in this contract position, and are comfortable working in a non-traditional environment please forward your resume, copy of certificate of qualifications and cover letter to twalsh@nsa.on.ca *Apply without delay* as we will review applications as they are received, and may bring the search process to a close early if outstanding applicants have been identified.

We thank all candidates for their interest. We regret that only those selected for an interview will be contacted.   No phone calls or agencies please.
